

For Immediate Release

NCS International is an approved Certification Body for PrimusGFS

21st April 2011 - Azzule Systems scheme, manager of the PrimusGFS, announced NCS International a Certification Body (CB) of PrimusGFS.

NCSI, a globally recognized compliance auditing and training organization, will add PrimusGFS to their many other auditing services they provide worldwide: BRC Global Standard for Food Safety, FSSC 2000, GlobalGAP, HACCP/GMP/GHP, ISO22000 Food Safety Management, SQF 1000 & 2000 (including SQF Ethical Sourcing), WQA (Woolworths Quality Assured).

With NCSI expertise and outreach, agriculture suppliers can schedule and certify to the PrimusGFS Food Safety audit scheme worldwide.

“The PrimusGFS is a perfect fit for our company.” said Ben Marchant, NCSI Americas Director of Business Development. Than he added, “We are very excited about this – we see PrimusGFS as a great solution for the agriculture industry and we’re pleased to be able to offer companies a choice in where they have their PrimusGFS audit conducted.”
